### **BioScrip Features:**

- Express delivery of medication directly to your doctor's office or home
- Refills coordinated by BioScrip to help you easily manage your medication schedule
- Phone access to pharmacists, nurses and patient representatives with expertise and training in your particular illness and therapy
- Educational materials and phone support to help maximize the success of your treatment

### **One-Step Enrollment:**

To begin using BioScrip, simply call toll-free at (877) 842-5097, representatives are available 24/7 or visit their website at [www.Bioscrip.com](http://www.Bioscrip.com). They will help you arrange or transfer prescriptions with your physician.

If you have any questions regarding your medication, please discuss those with your physician. Some of the above medications may not apply to you. However, if you have any questions regarding your Rx benefits, please contact our Customer Services Department at (812) 426-6600 or (800) 521-0265. WHP representatives are available Monday through Friday from 8:00 a.m. to 5:00 p.m. CST.

Sincerely,

Welborn Health Plans
