

# Express Scripts Specialty Pharmacy

Express Scripts Specialty Pharmacy, CuraScript, is a full service specialty pharmacy that provides personalized care to each patient. CuraScript provides injectable, oral and infused medications. These complex and costly medications usually require special storage and handling, and may not be readily available at your local drug store. Sometimes these medications have side effects that require monitoring by a trained pharmacist or nurse. CuraScript focuses on providing these medications, while offering excellent clinical services and support to you and your caregivers. Using your CuraScript specialty pharmacy is easy and can be done with one simple phone call from you.

When you are given a new prescription for a specialty medication:

- To begin CuraScript service or to get additional information, call CuraScript toll free at 1.866.848.9870.
- A representative will contact your doctor to get your prescription.
- Once approved, the prescription is prepared and checked by a registered pharmacist for accuracy.
- A representative will call you to schedule the delivery of your medication and supplies to your home or doctor's office.
- Your medications are discreetly packaged to protect the medications and your privacy before being shipped at no additional charge.
