

Extra Help

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. The amount of extra help you get will determine your total monthly plan premium as a member of our Plan. The table below shows the monthly premiums for each level of extra help.

Monthly Premiums for Medicare Advantage Plans

Your Level of Extra Help	Monthly Premium	Annual Deductible
25%	\$25.80	\$0
50%	\$19.60	\$0
75%	\$13.50	\$0
100%	\$7.40	\$0

Premiums do not include any Medicare Part B premiums you may have to pay. Premiums listed are for both medical services and prescription drug benefits (MA-PDs only).
