

WHP Medicare Advantage HMO and Cost Plan

Provider Directory

This directory provides a list of Welborn Health Plans' network providers.

This directory is for the following counties in Indiana: Gibson, Knox, Perry, Pike, Posey, Spencer, Vanderburgh and Warrick.

This directory is current as of **July 2011**. Some network providers may have been added or removed from the list after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about WHP's network providers in your area, you can visit www.welbornhealthplans.com/medicare or call our Customer Services Department at 1-800-521-0265, 7 days a week, 8.a.m. to 8 p.m. TTY users should call 1-800-743-3333.

This information is available in a different format, including large print. Please call the numbers above if you need plan information in another format or language.

*WHP's Medicare Advantage Plans are an HMO with a Medicare contract.
WHP's Medicare Plus Plan is a Medicare-approved Cost.*

Introduction

This directory provides a list of Welborn Health Plans' (WHP) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers that are listed in this directory to be your **Primary Care Physician (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. You will usually see your PCP first for most of your routine health care needs. Your PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a plan member.

Medicare Plus Plan (Cost):

WHP has arranged for the providers listed in this directory to deliver covered services to the members in our plan. However, members of the Medicare Plus Plan (Cost) may also get services from out-of-network providers. If you get care from out-of-network providers, you will pay the cost-sharing amounts under Original Medicare. In order for you to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist).

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

If you need inpatient care at an out-of-network hospital after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the highest cost-sharing you would pay at a network hospital.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers Medicare will pay a portion of the bill and you will be responsible for the Medicare cost sharing amount (see your Evidence of Coverage for an explanation).

WHP Medicare Advantage (HMO):

The "network providers" listed in this directory have agreed to provide you with your health care/vision/dental coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. In order for you to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist).

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

If you need inpatient care at an out-of-network hospital after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the highest cost-sharing you would pay at a network hospital.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor WHP will be responsible for the costs, unless you are enrolled in the Platinum Select Rx and access POS benefits (see your Evidence of Coverage for an explanation).

Platinum Select Rx (HMO-POS):

“POS eligible providers” are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that are not part of the Welborn network and **do not** have an agreement with us to accept payment in full. We allow these providers to deliver POS covered services to members in our plan. The providers in our network generally bill us directly for care they give you, the POS providers may ask you to pay for the service and get reimbursed. When you see a POS provider, you will pay your share of the cost for their services. This cost may be higher than the in-network cost sharing. See your Evidence of Coverage for details.

What is the service area for Medicare Cost Plan?

The counties in our service area are listed below.

Gibson, Posey, Spencer, Vanderburgh and Warrick counties in Indiana.

What is the service area for WHP Medicare Advantage Plans?

The counties in our service area are listed below.

Gibson, Knox, Perry, Pike, Posey, Spencer, Vanderburgh and Warrick counties in Indiana.

How do you find WHP providers in your area?

Providers are listed on the following pages by type (example: Primary Care, Specialist,) and geographic area of practice. The geographic area is listed by county, city, and zip code.

If you have questions about WHP or require assistance in selecting a PCP, please call our Customer Services Department at 1-800-521-0265, 7 days a week, 8 a.m. to 8 p.m. TTY users should call 1-800-743-3333. Or, visit www.welbornhealthplans.com/medicare.

Welborn Health Plans (WHP) provides high quality of care by matching patient needs and expectations with provider capacity. The availability of the following physicians accepting new patients may change from time to time, based on an individual physician's capacity at the time you enroll. The Provider Number located behind the provider's name is an assigned identification number for WHP to track the PCP and is used to systematically process claims, add referrals and authorizations, contract with other providers and maintain provider information. **Provider changes are frequent, therefore for assistance or to verify the most current status of a provider, please phone Customer Service at 812-426-6600 or 800-521-0265.** You may also visit our website at <http://www.welbornhealthplans.com>
